JOHN AND SARAS CHUNG #11324

John and Saras met in college and married in 2005 with the hopes of fulfilling God's call to help youth and their families thrive in and through Christ. John received a master of divinity degree with a focus in youth ministry from Covenant Theological Seminary. Saras obtained her master's in social work from Washington University with a concentration in children, youth, and families. The Chungs desire to help build up passionate and well-equipped workers to reach youth and their families for the kingdom.

John and Saras will be part of the Global Youth and Family (GYF) Ministry team of MTW. They will

develop and administrate the GYF Institute, whose focus is to train, mobilize, and sustain youth workers to serve around the world. They will also focus on equipping and encouraging workers from indigenous churches to reach the next generation in their local context. Growing up as children of immigrant parents in the States and serving as youth workers in the Korean-American church context, John and Saras understand the distinct challenges that cross-cultural and cross-generational workers face. Please pray for the Chungs in reaching the nations and the next generation.
